

Dear Internship Coordinator,

I hope this message finds you well.

My name is Sajid, and I am currently a student pursuing a Bachelor of Technology in Computer Science Engineering. I am writing to express my interest in any available summer internship opportunities at your organization.

I am particularly interested in gaining practical experience in areas such as software development, cloud computing, and cybersecurity. Through my academic coursework and projects, I have developed foundational skills in programming and problem-solving, and I am eager to apply these skills in a professional environment.

I would greatly appreciate the opportunity to contribute to your organization while learning from experienced professionals. Please let me know if there are any available positions or application procedures I should follow.

Thank you for your time and consideration. I look forward to your response.

Yours sincerely,

Sajid Ali
